

# LET US INTRODUCE OURSELVES

Two cousins, **Lubo** and **Daniel**, passionate about high standards and exceptional hospitality. Together and separately we have worked in some of the finest restaurants in Ireland and Europe.

Delivering impeccable results and reputations through hard work and passion.

Our mission is a simple one, to deliver the finest food from quality local ingredients and suppliers, the best wines from around the world and a welcoming friendly environment to enjoy it all in and without a scary bill at the end. This isn't an easy prospect, but we work best with a challenge. Whether it's a meal out to give yourself a night off from the washing up, a family gathering, birthday or a special occasion of any kind, happy People's go where happy People's are!

**People's**  
R E S T A U R A N T

Finally, why are we called People's?

**"BECAUSE IT'S THE PEOPLE IN OUR LIVES THAT MATTER THE MOST."**

## A PLACE TO WINE, A PLACE TO DINE

How it all came to be...

Our team have worked together with some of the most popular and highly respected and awarded restaurants in the country and abroad. So much so that we decided it was our time to deliver it for ourselves.

We are incredibly proud of our work, reputation and the friends we've made along the way and they all inspire us to deliver the best possible restaurant experience we know how to.

Our pride comes from the thousands of satisfied customers we have served and become loyal to over the years. Our drive comes from knowing that there are so many more friends out there for us to entertain.

Danny, Lubo and the team understand what it takes to make a successful restaurant.

**Great food, great drinks and good friends!**
